

Burlington County Home Arts Fair Homegrown Egg Class

Breed of Poultry: _____

Following is the criteria used for judging the entry:

1. Entry must be 1 dozen eggs grown by entrant.
2. **Shell Texture** - non-porous, uniformly smooth throughout
3. **Shell Quality** - not thin, resistant to breakage, free of hair-line cracks, without bumps or spots
4. **Shell Shape** - uniform, oval, smaller ends quite evident
5. **Size** - top priority is six eggs of uniform size, then, appropriate size for breed of entry
6. **Cleanliness** - exteriors free of stains or evidence of sand-papering
7. **Grade** - yolks “stand up” and whites are not “runny”
8. **Interior Qualities** - free of foreign spots or other impurities, yolk size proportionate to size of eggs.
